

REBOOT

your congregation...

INSPIRE THEM TO BECOME "GOOD AND FAITHFUL" STEWARDS OF THEIR FAITH AND THEIR FINANCES!

God wants believers to be faithful stewards with what He has given us through our time, talents, tithes, and temple. The question is, do you know how to overcome "worldly obstacles?"

Now that we all have learned about how the world would have us treat our finances, isn't it time to "reboot" the way we think and discover how God would have us handle the money He has entrusted to our care? The Biblical Stewardship Series will re-train you from the ground up, by developing a lifestyle that encompasses not only how to manage God's money, but all that He has entrusted to you.

This study course, held on-site at the location of your choice, will help your people unlock the biblical keys to a powerful Christian mindset. It covers stewardship from cradle to grave, covering these main topics:

- (1) **FOUNDATIONAL**
- (2) **DEBT**
- (3) **INVESTING**
- (4) **GIVING**
- (5) **ESTATE PLANNING**
- (6) **CULTURAL STEWARDSHIP**

Developing a culture of stewardship in your church is paramount to a healthy congregation.

Are you ready to radically change your congregations' outlook on how God defines the characteristics of being a good steward?

I would like to encourage every church and Christian organization to consider offering this series. The Biblical Stewardship Series has ignited participants' desire to start thinking of their Christian Stewardship responsibilities concerning money. Call me today for more information.
